

CERTIFIKAT

No. 40 38 01

Biologically degradable paper

Holder/Issued to/Manufacturer

Nordic Paper Bäckhammar AB, SE-681 83 KRISTINEHAMN, Sweden

Place of manufacture

Bäckhammars Bruk, Kristinehamn

Material and product description

Kraft paper designated Biokraft with a basis weight of 60-160 g/m².

Certificate

The material described above fulfils the requirements for *biological degradability* in SPs Certification rules for treatment of polymeric waste, SPCR 141, specified under paragraph A.2 in appendix 1 - *Industrially compostable polymeric waste – Requirements and test methods* and in appendix 2 - *Polymeric waste compostable in home compost – Requirements and test methods*.

Marking

Material fulfilling the requirements may be marked with SPs certification mark showed down right. The marking can be placed on the material and/or on the packaging and/or on delivery bills. The marking shall also contain the number of the certificate, the name of the certificate holder, the name or designation of the material, classification and batch number or equivalent. If the marking is placed on the packaging, it shall be made clear that it is the content and not the packaging that the marking refers to.

Validity

This certificate is valid until no longer than 30th June 2018.

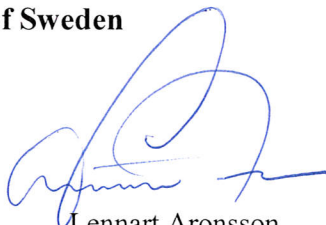

Miscellaneous

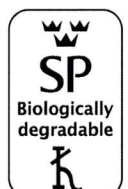

The manufacturer's in-house inspection is under surveillance by SP in accordance with section 4 and 5 of SPCR 141. Other terms and conditions are set out in section 6 of SPCR 141. This is the third issue of this certificate, which was originally issued on 30th June 2005.
